Western Digital, WD, the WD logo, Put Your Life on It and My Book are registered trademarks in the U.S. and other countries; Studio Edition, My Passport, and Studio are trademarks of Western Digital Technologies, Inc. Other marks may be mentioned herein that belong to other companies. Please visit our web site at support.wdc.com/warranty for the detailed terms and conditions of our limited warranty. Pictures shown may vary from actual product. Product specifications subject to change without notice. Not all colors and capacities are available in all regions.

As used for storage capacity, one megabyte (MB) = one million bytes, one gigabyte (GB) = one billion bytes, one terabyte (TB) = one trillion bytes. Total accessible capacity varies depending on operating environment. RAID 0 (Striped) accesses the full capacity of the drives. RAID 1 (Mirrored) accesses half of the total capacity for data protection.
